Attached is a copy of the report on the Minority Coordinators' Seminar which was completed on the 8th of October. I think we had a very successful conference and are in the process of implementing some of the suggested changes we received from the participants. I have made copies of this report for the DDA, the PAO and D/EEO and attached them. I would suggest that they be sent forward with your comments attached. I will also forward a copy to the Director of Medical Services with a note and the address of [redacted] suggesting that they may want to contact him and follow up on his concerns over the PATB.
